

## October 2026 Notice Regarding Correction: Leiter-3 Manual and Record Form

Stoelting Co has identified errors in the **Leiter-3 Record Form and Examiner's Manual** related to the blue foam manipulatives and the **Sequential Order** subtest. Please review the following corrections and update your materials accordingly.

### Blue Foam Manipulatives — Size Information

On page 15 of the Leiter-3 Examiner's Manual, the sizes of the foam manipulative pieces are defined as follows:

- Small = 1.5-inch shape
- Medium = 2.0-inch shape
- Large = 2.5-inch shape

The blue foam manipulatives bag contains:

- 2 × 1.5-inch triangles (Small)
- 2 × 1.5-inch circles (Small)
- 2 × 1.5-inch squares (Small)
- 2 × 2.0-inch triangles (Medium)
- 8 × 2.0-inch circles (Medium)
- 4 × 2.0-inch squares (Medium)

There is **no Large (2.5-inch) blue square** included in the blue foam manipulative pieces.

### Sequential Order — Item 2

In Sequential Order, Item 2 requires two Blue Squares; however, the correct shapes to use and the response are **incorrectly identified** in both the **Leiter-3 Examiner's Manual (page 38)** and the **Record Form (pg.6)** as using a Large Blue Square and a Medium Blue Square:

Manual (pg. 38):

#### SEQUENTIAL ORDER: ITEM S0-2

##### Administration

Place shapes, centered in front of individual, in a random formation. Indicate nonverbally that individual should independently place shapes to look like illustration on the Easel. Individual is scored on the ability to place shapes in correct order only.

##### Correct Response

|   |   |   |   |   |    |    |
|---|---|---|---|---|----|----|
| - | - | - | - | - | LB | MB |
|---|---|---|---|---|----|----|

Record Form (pg. 6):

**This is incorrect.** The **Medium Blue Square (MB, 2.0 inch)** and **Small Blue Square (SB, 1.5 inch)** should be used for this item.

**SEQUENTIAL ORDER: ITEM S0-2**

**Administration**

Place shapes, centered in front of individual, in a random formation. Indicate nonverbally that individual should independently place shapes to look like illustration on the Easel. Individual is scored on the ability to place shapes in correct order only.
